1. SCOPE OF THE PERSONAL DATA PROTECTION POLICY

This Data protection policy is applicable to all Personal Data Processing implemented by the companies via the Website.

2. DATA COLLECTED

Generally, you can visit our Website without it being necessary to send us Data.

However, in order to be able to offer certain services, the companies may request certain Data from you, for instance, to reply to a contact request or follow an application.

All or some of the following Data may be collected when you use the Website:

- Identity data (surname, forename, email address, telephone number)
- Data pertaining to your personal and professional life which you decide to send us, notably in the framework of applications.

In all instances, we restrict ourselves to the collection and processing of pertinent, adequate, non excessive Data strictly necessary for those purposes previously determined.

We are also likely to use cookies which are small files containing letters and figures downloaded to your terminal when you access the Website (see paragraph entitled cookies).

3. PURPOSE OF PROCESSING UNDERTAKEN BY REEL AND LEGAL BASIS FOR PROCESSING

The companies hereby undertake to collect and process your Personal data in a loyal, legal and transparent manner.

Use, in line with the purposes outlined hereunder, of your Data by the companies is authorised by legislative and regulatory provisions as it is:

- Required for respect of our legislative and regulatory obligations towards public institutions or competent authorities; Art. 6 sec. 1 lit. c) GDPR
Or,
- Required for conclusion or performance of a contract; Art. 6 sec. 1 lit. b) GDPR
Or,
- In certain cases, required for our best interests for the purposes outlined hereunder; Art. 6 sec. 1 lit. f) GDPR
- Or,
- In certain circumstances, undertaken with your consent; Art. 6 sec. 1 lit. a) in connection with Art. 7 GDPR

Processing, undertaken by the companies, meets explicit, legitimate and determined purposes.

Your Data may notably be processed for the following purposes:

- Supervision of your application made on the Website.
- Response to your contact requests and issue of commercial documentation.

The purpose of collection will be precisely indicated at the time of collection.

4. TERM OF DATA STORAGE

The duration of storage of your Data depends on the processing purposes for which the data is used.

- **Processing and supervision of applications:**

We hereby undertake to delete your Data within a maximum of 2 years after our final contact with you.

- **Communication, management of your contact requests:**

We hereby undertake to delete your Data within a maximum of 3 years after our final contact with you.

Beyond this term, Data may be rendered anonymous and stored solely for statistical use and will not be exploited, in any nature whatsoever.

5. CATEGORIES OF RECIPIENTS OF DATA COLLECTED

the companies will only send your Personal data to authorised and given recipients.

No transfer to third parties for commercial use will be undertaken without your prior consent.

The recipients of your Data are those departments at the companies concerned as well as, where applicable, authorised persons:

- From our subsidiaries for internal management or recruitment;
- From our suppliers, service providers and notably technical service providers so as to provide you with the service or information you requested (Mailing, data storage, etc.) By virtue of their contract, these service providers are not authorised to use or disclose this information, aside from when required to provide services or comply with requirements for which provision is made by law;
- From a legal or administrative authority where the companies are required by law.

By application of applicable regulations, any sub-contractor who may process this Personal data for the companies undertakes notably to:

- process Data solely for that/those purpose(s) which are the sub-contracted,
- process Data pursuant to the companies' instructions
- guarantee the security and confidentiality of Data.

6. DATA TRANSFER

In such instance as your Data is transferred outside of the European Union, we ensure that:

- Data is transferred to a country accepted as offering an equivalent level of protection.
- Data is transferred to entities certified under the Privacy Shield
- For Data transferred outside of countries recognised by the Federal Commissioner for Data Protection and Freedom of Information (BFDI) as having a sufficient level of protection, redress is made to one of the mechanisms offering appropriate guarantees for which provision is made by applicable regulations, and in particular standard contractual clauses.
